- 

**Agenda Item:** Recovery 101 Collaboration with County D&A

**Committee Goal Being Addressed:** Discussion

**Discussion:**

Committee discussed the option of working with County D&A on the Recovery 101. The idea would be to add the D&A portion to the training. The Committee agrees that this will be good to look at working together. It is suggested that we complete the Recovery 101 we are working on to be able to present a completed project.
