Co-Chair(s): Keirston Parham; Tacia Brentley

Note taker: Lillie Mathews

Attendees: William Boyce; Jordan Pearlman; Jim Powell; Sharon Ruggs; Terri Winaught; Jessica Francis;

Brief Announcements: The minutes were reviewed and accepted. The committee would like to welcome Sharon Ruggs to the group. This note taker will not be at the November 15th meeting, due to another commitment (CPS Training).

Agenda Item: Recovery 101

Committee Goal Being Addressed: Discussion

Discussion: Where are we now?

Action Item	Person Responsible	Target Date
Tacia shared about how long we have been working on this project, and we have a whole lot of good information. She also thought that the presentation Bill showed us last week is an excellent way to get started, with a little tweaking. A lot of us agreed with Tacia. We should also jot down some ideas to add.	Committee	11/15
Bill stated how he appreciated Danielle's ideas and assistance with this project. Bill showed us more of the presentation, with more added ideas; such as icebreakers.	Bill Boyce	11/15

Agenda Item: Recovery 101

Committee Goal Being Addressed: Discussion

Discussion:

What will we do next?

Bill talked about what the committee can bring in to the next meeting regarding his presentation: what is missing? What could we add? Send out a survey to all providers, to see if they are interested in something like this; if they are doing something would they be willing to share their ideas CONT. already doing something like this, and would they mind sharing with us. Bill also shared some case studies that were great ideas great	Bill /KP Comm	11/15

<p>for this project. There is still some room for input.</p> <p>KP shared about Utilization, and the importance to know what is your role and how it can empower one. Use open discussion; use real examples; 8 dimensions (identify strength which can identify barriers to recovery) most people do not know barriers.</p> <p>So we should focus more on “ The Role”.</p>
