

**Allegheny County Coalition for Recovery
Education Committee:
Minutes
June 16, 2016**

Co-Chair(s): LaTacia Brentley; K. P.

Note taker:

Attendees: Wm Boyce; Jordan Pearlman; Terri Winaught; Mellisanne Myers; Lynn Gigler; Charlene Saner;

Announcement: CK can no longer serve the public. We can go back to GE trays for now. We will revisit the lunch situation as the weather changes in search of warm food.

Minutes: Approved. We have no recruitment limits for EC at this time.

Agenda Item: Words Matter Revision

Committee Goal Being Addressed: Discussion

Discussion:

Replace first paragraph with a working definition of Recovery.

“Recovery is a process/personal journey of change in through which individuals improve their health and wellness.”

The passion is so strong for “Words Matter”. We need to spend more than just this meeting on the issue.

For a future project we may want to look at doing a pamphlet on “Advance Directives”.
