

Allegheny County Coalition for Recovery
Education Committee:
Minutes

March 20, 2018

Co-Chair(s): K.P.: Tacia Brentley

Note taker: Terri Winaught

Attendees: Marissa Andreen, William Boyce, Lillie Mathews, Jon Mulig, Ed Medor, Dannette Beahman

Brief Announcements:

Agenda Item: RECOVERY 101 CURRICULUM

Committee Goal Being Addressed:

Discussion:

As has been the case for the past several meetings due to the enormity of the task, committee members continued to update and make changes to the curriculum's wording and slides. The action item that resulted from the discussion and changes made is that the Recovery 101 Curriculum will be completed and therefore ready to roll out in May, especially since May is Mental Health Awareness Month. This curriculum will be finalized as a result of work done by the Education Committee and a sub-group of its members.

As an addendum, it is worth noting that our work on the curriculum was somewhat delayed because Co-Chair Tacia Brentley was recently in a car accident. It is also important to note that Rob, a previous committee member and Minute Taker, has been absent due to a serious automobile accident.

A final note is that Marissa Andreen is to be welcomed as a first-time attendee.

Next Meeting:

April 17, 2018

12:30-2:00

Pittsburgh Mercy

330 South 9th Street
